KENGURU
PRO

Kenguru Pro

We manufacture outdoor sports equipment
and build sports fields all over the world.
Production is located in Riga, Latvia.
We have built our sports playgrounds in 50+ countries.
Local representatives of 21 countries help us to build sites.

We manufacture:

- Street Workout and Calisthenics equipment;
- Workout equipment for people with disabilities;
- Indoor Street Workout and Calisthenics equipment;
- Goalposts assembled with basketball units;
- Kids workout equipment;
- Outdoor tennis tables;
- Fields for panna football;
- Parkour equipment;
- Basketball units;
- Boxing racks;
- Swings;
- Street lights

We supply equipment for:

- Parks and yards;
- Universities and schools;
- Hotels and camps;
- Country houses;
- Townhouse villages;
- Military bases;
- Fitness clubs

Sports cluster №7	20

Sports clusters of mass sports —
These are public spaces consisting of
playgrounds for various street sports:
Street Workout and Calisthenics,
panna football,
basketball (streetball),
table tennis,
mini football,
parkour,
boxing.

Such clusters help bring together amateurs of
different sports and street subcultures in one place,
regardless of their age, gender and level of training.
